Copper material

**PATINA NATURAL**  
A pega de  
cobre da asa  
propositadamente  
não tem  
tratamento  
de superfície,  
para que possa  
desenvolver a sua  
própria pátina ao  
longo do tempo  
conforme o uso e  
o ambiente onde  
está inserido.

**NATURAL PATINA**  
The pull handle  
copper part doesn't  
have a surface  
coating on purpose,  
so it can develop  
its own patina over  
the time according  
to the use and the  
environment where  
it is inserted.

ANTI-BACTERIAL  
Copper material

PATINA NATURAL  
A pega de  
cobre da asa  
propositadamente  
não tem  
tratamento  
de superfície,  
para que possa  
desenvolver a sua  
própria pátina ao  
longo do tempo  
conforme o uso e  
o ambiente onde  
está inserido.

NATURAL PATINA  
The pull handle  
copper part doesn't  
have a surface  
coating on purpose,  
so it can develop  
its own patina over  
the time according  
to the use and the  
environment where  
it is inserted.
