TEMPO DE RECOMEÇAR

EN

JNF developed a new series of handles inspired in the Art Deco movement, originated in 1920's, which was characterized by the use of geometric or stylized shapes. The sophistication of this line, together with actual technology of machinery and hand crafted finish allows perfect integration in actual architecture. The stainless steel as main material, along the PVD Titanium finishes ensures life time pieces, with a streamlined look.

PT

A JNF desenvolveu uma nova série de puxadores inspirados no movimento Art Deco, originário da década de 1920, caracterizada pelo uso de formas geométricas e estilizadas. A sofisticação desta linha, juntamente com a tecnologia de maquinaria actual e o acabamento manual permite uma perfeita integração na arquitetura actual. O aço inoxidável como material principal, em conjunto com acabamentos de Titânio PVD garante peças intemporais.
